

Student Achievement 學生成就 (2017-2018)

ROBOSTEAM 2018		Date: 17 th March, 2018
Section/Group	Name of Student(s)	Award
Senior Group	5C Lee Man Yin 5C Lee Yee Nok 5D Chan Chun Sing 5D Lo Ka Ho	Best Coding Award Best Cooperation Award
Junior Group		
Asia Pacific Region	Liu Ling Chi (F.1C) Ng Chi Nok (F.3C)	Second runner-up
Hong Kong Region	Liu Ling Chi (F.1C) Ng Chi Nok (F.3C)	First runner-up

Description:

Robosteam is an international competition that promotes STEAM to students through programming robotics. This year, the theme of the competition is “Building Smart City” that request participants to complete the tasks by using creativity and coding.

In senior group, 5C Lee Man Yin, 5C Lee Yi Lok, 5D Chan Chun Sing and 5D Lo Ka Ho earned the “Best Coding Award” and Best Cooperation Award”. In junior group, 3C Ng Chi Lok and 1C Liu Ling Chi earned First runner-up in Hong Kong Region and Second runner-up in Asia Pacific Region.

The team is invited to participate in the Universal Robotics Challenge which will be held in Osaka, Japan in September, 2018.
