You are writing an article introducing a special classmate in your class in at least 130 words. You may describe his/her appearance, hobbies, achievement and what makes him/her unique. Do not forget to add an interesting title to your article.

*You will get a higher mark in *language* if you highlight vocabulary items and expressions taught.

My New Neighbour

Have you ever met the most amusing little boy in our school? I guess you want to be his friend in your life! Neal is my first neighbour in CNEC Christian College and we are good friends now.

Therefore, I want to tell you something about Neal. Neal is 12 years old and he is very **interesting**. He has a **square face** and a big nose and a mouth as small as a cherry. He is very short and he always wears 'Sumikko Gurashi' clothes because he thinks the 'Sumikko Gurashi' is really cute.

Also, Neal is such an **outgoing** boy! He always talks to us and takes part in every activity of ours. Sometimes, he is **clumsy**. He often drops all the things on the floor, slips in the washroom, and hurts himself. However, I think Neal is **clever** and **careful** because when he is doing sums, he can always get full marks. This is too hard for me!

Neal's favourite subjects are Maths and PE. He always says, 'I like doing sports because it can make me feel relaxed and healthy!' Therefore, I think he is **energetic**. Also, he likes practicing English when he is free. His favourite teacher is Miss Ho, our Chinese History teacher. He thinks Miss Ho is **funny** and usually encourages him. His best friend in our class is Angus. They always go to school together and help each other. Finally, he really likes to do the 'floor exercise'. I don't know what it is but it sounds very tough.

Although I have just met Neal for a month, I am sure we will be good friends this year.
