### My Special Classmate

Do you have any special classmate in your class? Jaden is my classmate. I guess you will ask me why I think he is special. Let me tell you why!

Jaden is 12 years old. He is neither tall nor short. He is **average in height**. He always wears his glasses so his eyes are like two balls. He has a big mouth which can eat the Earth!

Jaden is a **funny** boy. He always tells us jokes and makes me laugh a lot. Though he is not **conscientious**, he can do well in quizzes. He is **outgoing** and **considerate**. He is very good at chatting with new friends. Also, he always helps me. I know I am a **clumsy** person as I always drop my things on the floor. But Jaden will help me to pick up immediately. He is a **helpful** boy!

Playing basketball is one of Jaden's favourite hobbies. He is **energetic** and likes sports. He likes practicing special basketball skills. I think he is quite **talented** because he learns basketball skills by himself. But I think the most special fact about him is that he loves collecting stamps. He has collected stamps for 8 years. Up to now, he has collected twenty books of stamps! He really loves collecting stamps.

It is very surprising to know my new classmate is so special. I hope I can know more about him and maybe we can be close friends one day!
