### A Special Classmate

Have you ever met an **intelligent** boy in my class 1C? I guess you will all admire him when you meet Jolyon at first sight! Jolyon is very smart and hard-working.

Now I will introduce Jolyon to you. Jolyon has a pair of **bright eyes** and wears black glasses. He also has a **narrow face, thick hair** and a **fair complexion**. He is **slim** too.

Jolyon is a **conscientious** boy. He reviews the content of every subject before the teachers start teaching. Jolyon is also highly **motivated** in his studies. He studies diligently for every test so that he can get satisfactory results. Besides, he is quite **introverted** at school. He is **shy** and speaks softly.

Reading is one of Jolyon's favourite hobbies. He enjoys reading novels and historical fiction. He likes playing video games because they are interesting. He also enjoys family time. He enjoys going cycling with his father at weekends. Moreover, he likes eating hotpot since he can try many different ingredients. Jolyon has a grateful heart too. He cherishes his stuffed toys and keeps them properly. Since he was small, he has been determined to become a doctor as he thinks he is good at taking care of others.

Although I have just known Jolyon for a month, I appreciate his spirit of learning and I hope he can achieve his glorious dream.
