### A New Classmate of Mine

Eunis is someone you would immediately trust and make friends with. Who is she? She is a new classmate of mine in Class 1C.

Let me tell you something about Eunis. She is a **slim** girl of **medium height**, with **long straight dark hair** and a **friendly** face. She has small black eyes. Her **skin is fair**. She always wears her lovely pink watch and ties her hair in a **ponytail**.

Eunis is a **diligent** student. She is as diligent as a bee. She always works hard and pays attention in class. Her favourite subject is English Literature because she enjoys reading stories by famous writers. However, she finds PE the most difficult because it requires lots of strength. It is hard for her to complete the tasks during PE lessons. Eunis is **energetic**. She is a member of Road Safety Petrol because she wants to learn more about road safety matters.

Playing the violin is one of Eunis's favourite hobbies. Practising it can make her relaxed and improve her violin skills. Apart from playing the violin, she often watches movies on Netflix and plays chess with her father at weekends.

Eunis wants to be a doctor in the future because she wants to help others who are in need. Despite the difficulties she may face in the future, she will not give up easily and persevere in pursuing her dream. Eunis will study hard and devote herself to becoming a doctor.

Although Eunis is a new classmate of mine, I hope we can be good friends in the future.
