My Special New Classmate

Do you have a new friend in Secondary School? Yes, I do. Let me tell you something about him.

Steve is about fourteen years old. He has **short hair** and a little bit **small mouth**. He is about **170cm tall** and really like sports.

Steve is a quite **sporty** guy, he always likes to do sports such as playing badminton, playing football and basketball... Also, he is **kind** and **friendly**, he always helps others if they have troubles. That's the reason why I am friends with him. He enjoys doing most with his family because he thinks it is an important thing.

Steve loves ice-cream and orange juice, he likes sweet food so much. You will always see him eating candies but he doesn't like avocados and aloe because he thinks they have strange taste. His dream job is a software developer because he is interested in technology and computers. He also likes animals very much, just like bunnies, cats, dogs... He thinks they are so cute.

Steve is my best friends. I hope I will keep the friendship with him forever!
