Dear Ms. Fung,

I am writing to enquire about the English course. I got attracted to it after seeing your advertisement about it.

I am interested in this course because of my bad English exam results and I would be very grateful if I can enroll in this course. Secondly, I would like to know the cost of the tuition fee. Also, I was wondering what the minimum and maximum age is for the course, so I would know what you would prepare for me.

In addition, I would be interested in knowing the exact time of the course or changing the time of the course because I have another course in the evening. Moreover, I would like to know what kind of payment you would accept because I only have Octopus and Alipay.

Finally, I would be grateful if you could inform me of the number of students in a class because I would study better if there are fewer than 6 students in a class.

I would like to thank you in advance for the information and I would be grateful if you could reply as soon as possible.

Yours sincerely,

Aiden Chan
