Dear Mr Wong,

I am writing to express my interest in the Sister City Exchange programme to Ushika, Japan, which will take place from 13 to 23 July 2023. The advertisement caught my attention and I am excited about the prospect of participating in this spectacular and eye-opening programme.

First of all, I would like to know more about the programme and its incredible and unforgettable experiences. May I know if I will have an opportunity to explore Japan's exotic and unique culture during our stay? I also wonder if we will have an expedition to the local attractions and landmarks. What kind of cultural activities will be included in the programme and how will they help us to create lifelong friendships and memories?

I am also curious about the living arrangements during the programme. I would like to know if we will be living with a Japanese family throughout the journey. I wonder how the families will be selected. What kind of support will be provided to ensure a smooth and enjoyable experience for both participants and hosts?

I believe that this exchange programme will be an incredible opportunity for my personal growth and cultural exchange. I look forward to hearing from you soon. Thank you for your time and attention.

Yours sincerely,

Maxton Li
