

Tragedy Happened Again – The Giants' Disaster

Sophie and BFG convince the Queen successfully. After that, the army get the order sent by the Queen Victoria, which is to attack the Giant Island and punish giants who eat human beans cruelly.

However, when the army arrive at the Giant Island, suddenly so many rocks are thrown to them who are on the fighter jets. Oh no! The fierce giants have already known that they are going to attack them. And that means, BFG, the only person they trust and rely on has betrayed Queen Victoria, the army and Sophie. What a terrifying surprise!

When they finally realize that, it's too late. BFG start to kill all the people on the fighter jet. All people die tragically, BFG stayed with the cruel giants again. And he promises that he will not let others call him BFG.

The giants plan to attack the country and eat all the people in it. Gigantic dark shadows appear on the streets of London. Some even march towards the palace. What is going to happen? ...
