Do you know where I spend my summer holiday? You've got it right. I went to Paris with my family. Paris is the capital city of France. It's one of the most beautiful places in the world. There are many wonderful attractions. I was very excited.

There are a lot of special and tasty food in Paris. My family and I tried different kinds of food like French onion soup, quiche and chocolate mousse. They are all mouth-watering. My favourite is chocolate mousse because it is sweet and I am a big fan of chocolate. I felt delighted and satisfied.

There are many fantastic malls in Paris. We went to a shopping mall called Le Bon Marché. I was blown away by the decorations inside the mall. They are lovely! I bought various souvenirs such as macarons, a beret and numerous chocolates. I really like my beret. It is white and suits my outfit perfectly. I was fascinated!

We visited the Eiffel Tower – one of the most iconic places in Paris. It is enormous and gorgeous. We took a lot of beautiful photos there. We went to the Louvre Museum. I was stunned by the paintings and sculptures. I even got a chance to see the famous Mona Lisa painting! We also went to the Palace of Versailles. The place was huge and spectacular. I was surprised by the flowers in the garden!

I enjoyed the trip to Paris very much. I experienced something new like visiting a palace. It was memorable. We had an awesome time together. The trip made us relaxed. I really hope that I can go to Paris again.
